Subject: Unprofessionalism-Disrespectful towards Sergeant on Duty
.....

On 07/12/2021 you were involved in a shift meeting that consisted with 2 Deputies and myself. As we were having the meeting and I was speaking about talking clearly on the radio with dispatch, I then instructed you to get off your cell phone, due to the fact we were having a required patrol staff meeting. Your actions were showing total disrespect by being on your cell phone during the meeting. Again, I advised you that it was disrespectful to the other patrol Deputies and myself, by stating it was a form of communication. At that time, Deputy Crosby challenged my direct order to get off of his cell phone. Which again, showed disrespect with an adjusted voice and attitude with you stating "Whatever".

Deputy Crosby called me later on this date to apologize. He stated he was still irritated with the Sheriff about the incident that happened the day before and he took it out on me. Enclosed is a list of the shift meeting notes.

1. Violation of Washington County Policy (1.4 and 2.6)-Unprofessionalism while on duty to a Superior Authority or Command Staff.

This document will serve as an Official Letter of a written write up to be placed into your personnel file. Violation 1 of County of Washington and Sheriff's Office Policy.

Sgt. D. Wegner Report

On Monday December 18, 2017 I, Sergeant Investigator Damon Wegner, with the Washington County Sheriff's Office was assigned case number 2017-17744 for follow up investigation. I reviewed the initial case report submitted by Deputy M. Von Preussenstamm (Stamm) who collected written statements from reporting inmate _____, wrote that WCSO Jail Officer Eric Crosby touch him inappropriately on his rear end.

I reviewed the other statements collected by inmates _____. With the exception of _____ statements indicate no such incident ever occurred _____ wrote he witnessed Officer Crosby enter _____s cell and reach toward his bunk at which point he heard _____ shout out to leave him alone. _____ also put in his written statement he witnessed Officer Crosby unbuckle and reattach his duty belt while in _____ cell. _____ cell is D-1 which is the first cell in D block. _____ is in in cell block C, which is directly across the cat walk from D block.

Statements taken by the two other inmates located within D block indicate Officer Crosby did nothing inappropriate to _____ stating he was just doing his job and never puts hands on anyone. I had Lt. M. Lowery provide me with a copy of the video footage from the reported incident, which allegedly occurred on Friday December 15, 2107 around 2305 hours. Cameras are placed within the cell blocks which provide a view of the cells run.

I viewed the footage which shows Officer Crosby enter the cell run and moved toward cell D-1. He was followed closely by inmate _____ who was at Officer Crosby's side the entire time of inspection. Officer Crosby entered _____ cell and was out of the camera view for approximately 8 second: _____ remained in the run and watched the Officer while in _____ cell. Officer Crosby then proceeded to examine the other cells within D block and then exited the run. There simply was not enough time for the actions to have occurred the way _____ indicated in his written report.

On Tuesday December 19, 2017 I made contact with Assistant District Attorney Adam Murray by phone. I advised Murray of the details of this report and my findings. Murray instructed me to close the case they would not be excepting charges. This case is closed.

Location: 1206 Old Independence Road Brenham TX 77833

On December 16, 2017, at approximately 11:04 pm, I, Probationary Peace Officer Deputy Markus Von Preussen-Stamm #7122, with the Washington County Sheriff's Office, was dispatched to 1206 Old Independence Road, in reference to a sexual assault.

Upon arrival at the Washington County Jail, I made contact with the jail staff who pulled the complainant, [redacted] from his cell in D-Tank. [redacted] gave me a brief explanation of what occurred and I instructed him to fill out a voluntary sworn statement and information sheet. Detailed within, [redacted] stated on December 15, 2017, at approximately 11:00 pm, he was awoken in his cell by Officer Crosby as he put his hand on his butt and [redacted] told him to leave. [redacted] then stated that Officer Crosby was messing with his duty belt and [redacted] told Officer Crosby to leave once again and he did. [redacted] also stated people who supposedly witnessed the event.

I then released [redacted] back to jail staff and they proceeded to pull out the witnesses. The first witness they pulled out of C-Tank was [redacted]. I then instructed [redacted] how to fill out a voluntary sworn statement and information sheet. Written within, [redacted] stated that he saw Officer Crosby walk straight to cell D-1. [redacted] stated that Officer Crosby reached out in what looked like an attempt to touch him. [redacted] stated [redacted] rolled over and shoed Officer Crosby away. [redacted] also stated that Officer Crosby unbuckled and rebuckled his duty belt. [redacted] stated Officer Crosby supposedly exited the cell and proceeded to have a conversation with another inmate.

I then released [redacted] back to the jail staff and they pulled the second witness out of D-Tank. The second witness was [redacted]. [redacted] told me quote "The inmate is trying to fuck up somebodies life by bullshit". I instructed [redacted] how to fill out a voluntary sworn statement and information sheet. Written within, [redacted] stated he was watching TV in the day room and observed Officer Crosby just doing his job and observed nothing wrong. Just Officer Crosby doing his job. I released [redacted] to the jail staff and they pulled the final witness from D-Tank.

The final witness's name was [redacted]. I instructed [redacted] how to fill out a sworn statement and information sheet. Written within, [redacted] stated Officer Crosby came into D-Tank and was doing his daily routine, walked into everyone's cells to make sure everyone was okay. [redacted] stated Officer Crosby walked into [redacted] cell and asked if he was okay and left. [redacted] stated that Officer Crosby did not touch [redacted]. [redacted] was then released to the jail staff.

Then the suspected offender, Officer Eric Crosby #275, with the Washington County Sheriff's Office, walked in. I instructed him on how to fill out a voluntary sworn statement and information sheet. While he filled them out, I made contact with Lieutenant Krueger in Lieutenant Lowery's Office. Lieutenant Krueger showed me the footage from D-Tank from approximately 11:11-11:15 pm yesterday. In the footage I observed Officer Crosby going about his daily runs, checking on each inmate. He spent the same amount of time in [redacted] cell as every other inmates. [redacted] can also be seen in the footage. Lieutenant Krueger stated that Lieutenant Lowery will provide a copy of the video tomorrow.

I then returned to Officer Crosby as he was finishing up his statements. Written within, Officer Crosby stated while inspecting cells one through eight in D-Tank, looking for anything out of place, [redacted] woke up and noticed Officer Crosby leaving his cell and he said quote, "What the fuck are you doing in here". Officer Crosby replied "Just looking around", and proceeded to check another cell. Officer Crosby stated that there was no physical contact between him and [redacted]. Officer Crosby also stated that [redacted] has shown signs of hate towards him by yelling many offensive profanities. Officer Crosby believes [redacted] is doing this as a way to retaliate against him for not allowing [redacted] to attend church last Sunday due to [redacted] being in minimal custody and unable to be near close custody. This incident was recorded on my Safety Vision body camera number 17 and is available if needed.

The inmate was asleep in his cell I went into the cell to look around the bookshelf area in his cell, as I was leaving out [redacted] got up, made a statement as I was leaving out "what the fuck are you doing in here" I replied by saying just looking around. I processed to another cell until I reached cell 8. I walked back up to the dayroom and had a conversation with the other inmate in D tank before walking out of the tank.

There was no physical contact between [redacted] and I, [redacted] I have shown signs of hate towards me. [redacted] has constantly cussed at me, called me a "faggot" numerous times, and called me a "bitch" numerous times. These signs have led me to believe [redacted] does not like me.
