

Good job on Polk County and Chris Lima, when his partner in Drug Enforcement killed himself supposedly, I was told Chris killed him because they were both selling confiscated drugs. So much corruption here. Check on Deputy Terri Mayer, now going to be JP 1. She was the biggest whore at Humble Police in 1980.

My great grandson Noah 6 weeks old was beat to death by his Daddy, Detective Finnigan would not even get out of bed. 7 days after the incident Det. Finnigan went out to the "crime scene", they botched the case. Over a year later Thomas Janczyk is arrested and has been in jail in Polk County almost 2 years, Lee Hon now offering plea bargain since they screwed up the case.

Look at the vacancies and Officers quitting because of Chief Deputy Ricky Childers, cussing everyone, threatens them.

Maybe what happened to me when I was employed as an Officer in Humble Texas and reported the Chief and others for sex with minors, drugs, burglary, arson, beating prisoners, hanging one John L. Palmer. My house was fire bombed, I was framed and nobody cared. I have a written and video statement from the hit man they hired, who said he was told to kill me, my children, burn my house which he did, and he stole my truck that Humble hid in the City barn over a year and then stripped.

When this was taken to Texas Rangers they erased the tape thinking we were stupid enough to bring original.

More info on Chris Lima and others, 5 years ago Holiday Lakes VFD had 6 members including Asst. Chief sleeping with minors. We reported it to Sheriff Hammick and Chris Lima. It was covered up, they were allowed to move out of State. One, Phillip Griffin was charged and convicted later of sex with minors, he was the Asst. Chief. Dustin Cox was arrested by San Jacinto County and is now a registered sex offender. POLK COUNTY and Lee Hon looked the other way. Detective Christopher Lima then told the VFD members what we did and they all moved, one was TDCJ Officer and also his Wife. Deputy Terri Mayer, just got elected JP 1 Polk County Judge, partied with them and watched as minor girls had sex and booze with them all.

All of this was shown to Commissioners Court and all was ignored.

You see that pic with Dustin Cox and those girls are 12 and 13 at that time, Deputy Terri Mayer now going to be JP was with them.

She was busted from Corp. by Sheriff Hammick before he resigned, after I met
